

Exposé for used EPC/GDV Software, 2007

Model Manufacturer	EPC/GDV Software 2007 Kirlionics Technologies International (KTI), St. Petersburg / Russia
Manufacturing date	2007
Serial number	DM0323060528
Software Modules	GDV Capture 1.9.22 GDV Scientific Laboratory 2.0.11 GDV Virtual Chakra 1.1.13 GDV Diagram 1.2.8 GDV Energy Field 1.1.12 GDV Drivers 1.0.0 1 USB Software protection key, HASP
Documentation	CD-ROM with software, User Manual
Comments	This software package is fully functioning for GDV cameras of models 2004 to 2008. This software runs on Windows NT and Windows XP computers. It is an optimum entrance for GDV users, who are running the old software version (before 2007) with older camera models. Observe! This software package is not compatible with old GDV Cameras that still require the twin-tail mouse for starting image capturing.
